"You're gonna wake everyone...!"

A manga about stuff that may or may not have occurred on the second night of their camping trip

The stories in this book are basically about situations that weren't really touched upon in the original

The contents are pretty much the limit of what I could come up with

We're
done
putting
all the
futon's
out~!

Don't tell me
we're sleeping
side-by-side again

It's more
fun to
sleep
together
with
every-
body~

Meh I don't
really care
either way

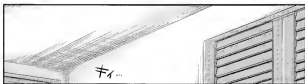

Beep
boop

Updating
her blog

Hi-Hey,
you're really
close.

Just say
what you're
really thinking
already!

!

Then what was
with that text
you sent me?!

"I, Maki-sama,
shall take the
spot beside
her!" Or
something...

No
really,
Nico-
chan-

"Because
I love
Nico-chan~"

You're
too
close

It's good that
you two
made up,
isn't it?

Yo,
seriously,
why did
you even
hit me...?

I'm sorry for
hitting you
Miaocchi

It looks like
Maki-chan

Y-

is a lot happier
now, too

Thanks
To you

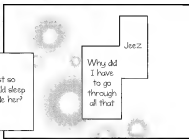

You idiot,
Narcan!

What?!

Just so
I could sleep
beside her?

Jeez

Why did
I have
to go
through
all that

"Nico is cute, ka ki ku ke ko!"

... Ah!

Rin-chan was really cute
in episode 5 (season 2)!!

1

Pff.

It's kinda funny when
you think about it.

**Got a
problem?**

gets to sit
at the head of
the table

Right here

Seriously.
A little pipsqueak
like that

Wait,
what
the heck
am I
doing?!

→ long time...

rattle

.....

the
long
time

W-What...?
Are you
mad...?!

Wh...
What the
heck...

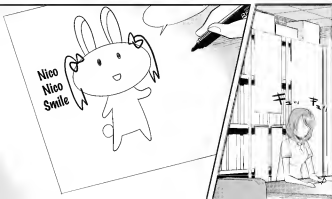

Saved
Wrapped Rice
Chicken

What
the
heck?!!

No,
seriously,
what?!

TL Note: 'Wrapped' is
pronounced "Maki".

"Jeez, Maki-chan! Jeez, Maki-chan!
Jeez, Maki-chan!"

I tried to throw Umu-chan into the mix
with this work, but I failed
I couldn't fit her in anywhere but the punch line

I've drawn a lot of NicoMaki where they're
not often physically together
This story is no exception

Jeez, Maki-chan,
are you by
yourself again?
Are you being
left out?
You poor thing~

Who knows!
And besides, Nazochan
what are you doing down
here in the first years'
classrooms? Don't you
have any friends?

S... Shut up!
Nazomi and I
always have
to go to the
student council
room...

Huh?
Whose?
Yeah, who?

And whose
fault do
you think
that is?

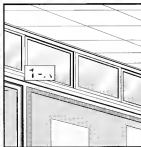

Is that
Male?
Why is she
at the third
years' class-
rooms?

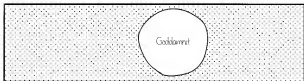

Hub?

Is she looking
for something?

... The
next
day.

Hmmm

Yeah! We had
lunch together in
the clubroom!

Where did
you go,
Maki-
chan?

She's
not
here!!

"A Certain Day"

In this manga, I wanted to draw Nicocchi
exerting herself
Even though Nicocchi's body is petite,
I think it's quite sexy in its own way.

Eh?

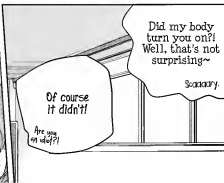

... Get used
to...?

Hmm...
I could get
used to doing
this...

n-
Nevermind!

I don't usually put explanations in between the stories like I did this time.
I did the illustrations first and left space in advance for the comments,
but I had a really hard time coming up with what to write.
I'm never doing this again.

The second season's
first three episodes
really excited me.

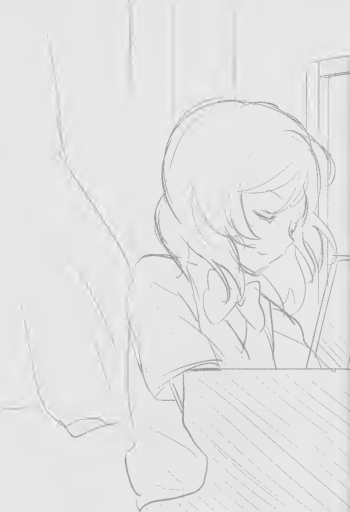

Then the rapid character development in
Nico's episode amazed me.

and finally, I shed many tears in Rin-chan's episode.

Before it starts, I think
"I don't want it to start because then it'll end..."
But as soon as I see the girls' dancing forms I'm content.
This is basically what happens when I watch the show.

I suppose I'll continue to enjoy it like this
right up until the final episode,
where I will be softly crying.

Also, NicoMaki is awesome.

TL Note:

The vocal training Nico is making them do is incredibly common in Japan, particularly for actors, voice actors, news readers, etc. Basically anyone who uses their voice to any extent has done this. You might have seen it in anime before as well.

The poem is called *Amenbo no Uta* ("Water Strider's Poem") and it was written by Hakushu Kitahara. It's fairly nonsensical in meaning, but is notable for balancing the use of every Japanese syllable. Each line of syllables (a-r-u-e-o, ka-ki-ku-ke-ko, etc.) is accompanied by various words that emphasise those syllables.

For more information, check out this link:

In short, Nico's taking the concept and twisting it to make Maki say embarrassing things related to the lines of syllables she's saying.
